

Menginstall Zeroshell kedalam USB Flashdisk atau Hardisk Eksternal menggunakan Microsoft Windows.

Tutorial ini memberikan panduan bagaimana cara menginstall zeroshell kedalam Flasdisk, Hardisk Eksternal baik IDE maupun SATA, dalam tutorial ini penulis menggunakan Windows XP Profesional Edition's SP2.

1. Silahkan mengunduh software Physdiskwrite
(<http://m0n0.ch/wall/physdiskwrite.php>)
2. Unduh file image zeroshell untuk Flasdisk/IDE/USB/SATA
(<http://mirror.nohup.it/zeroshell/ZeroShell-1.0.beta12-CompactFlash-IDE-USB-SATA-1GB.img.gz>)
3. Ekstrak hasil unduh Image Zeroshell menjadi ".img "

4. Colokkan USB Flashdisk / Hardisk Eksternal ke computer
5. Buka "command prompt" masuk ke folder hasil download physdiskwrite kemudian jalankan "physdiskwrite.exe" ketik perintah "*physdiskwrite -u [tempat dan nama image file]*"

6. Pilih drive yang akan digunakan untuk tempat instalasi Zeroshell

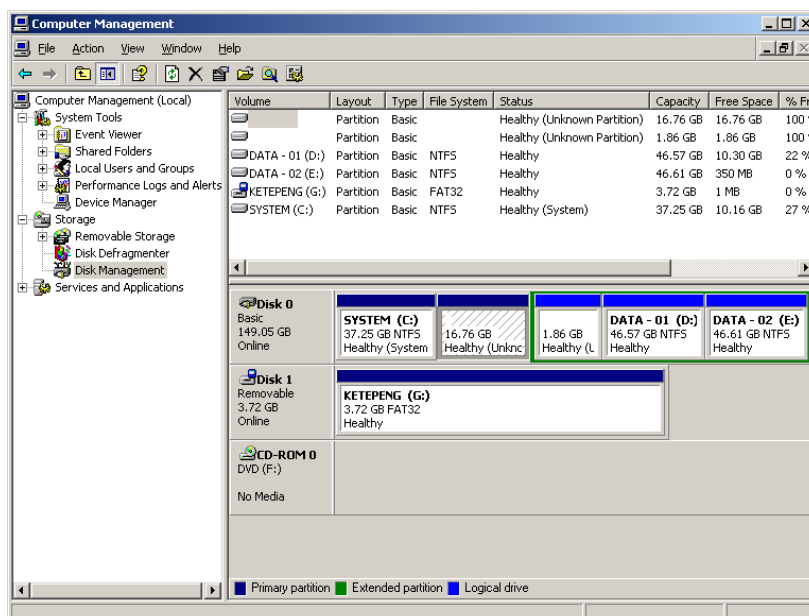

```
Command Prompt - physdiskwrite.exe -u "E:\LINUX\ISO\ZEROSHELL\TOOL's\ZeroShell-1.0.beta12-Co...
E:\LINUX\ISO\ZEROSHELL\TOOL's>physdiskwrite.exe -u "E:\LINUX\ISO\ZEROSHELL\TOOL's\ZeroShell-1.0.beta12-CompactFlash-IDE-USB-SATA-1GB.img"
physdiskwrite v0.5.2 by Manuel Kasper <mk@neon1.net>
Searching for physical drives...
Information for \\.\PhysicalDrive0:
  Windows:      cyl: 19457
                tpc: 255
                spt: 63
  C/H/S:        16383/16/63
  Model:         Hitachi HTS543216L9A300
  Serial number: 090404FB2200UCEHNWZA
  Firmware rev.: FB20C40C
Information for \\.\PhysicalDrive1:
  Windows:      cyl: 486
                tpc: 255
                spt: 63
Which disk do you want to write? (0..1) _
```

7. Perhatian... hati-hati dalam pemilihan drive yang akan diinstall apabila sudah dipilih partisi pada drive akan dihapus semua dan diganti partisi zeroshell.

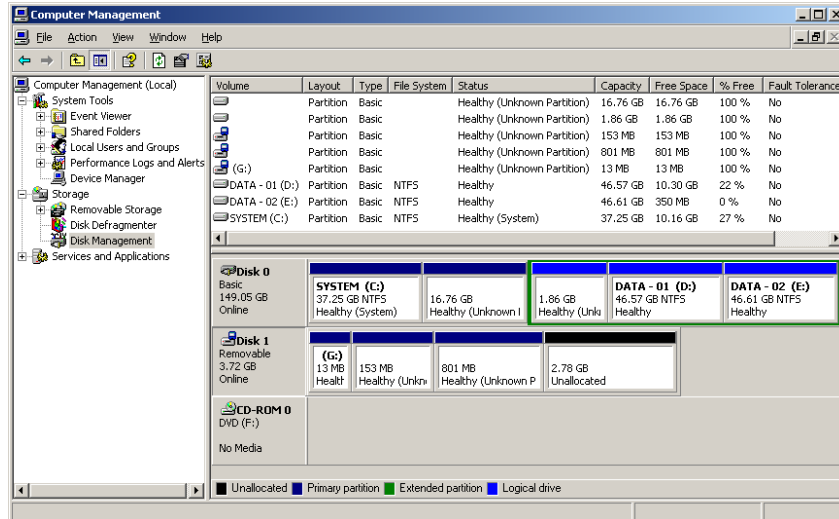

```
Command Prompt - physdiskwrite.exe -u "E:\LINUX\ISO\ZEROSHELL\TOOL's\ZeroShell-1.0.beta12-Co...
E:\LINUX\ISO\ZEROSHELL\TOOL's>physdiskwrite.exe -u "E:\LINUX\ISO\ZEROSHELL\TOOL's\ZeroShell-1.0.beta12-CompactFlash-IDE-USB-SATA-1GB.img"
